Don't miss it!

The Commonwealth Workforce Coalition:

- is a statewide capacity building initiative providing training, professional development and network opportunities for staff of organizations engaged in workforce development - - education, training and employment for adults and youth.

Please join your colleagues in celebrating the summer!

We will provide food, cold beverages and blankets (bring your own coffee!) The annual CWC picnic is a time to 'chill out' and get to know staff of other organizations in a relaxed summer gathering outside of the office. The rain location is St. Paul's Cathedral, directly across Tremont Street.

The Commonwealth Workforce Coalition sponsors *a networking session for workforce development professionals*. We offer a forum to share experiences, solve on-the-job problems, learn from peers, build contacts, and find support for your work. We meet every two months for two hours.

Remember: Bring your business cards to share with your colleagues.

Please use the back of this form to register.
The registration deadline is Thursday, July 9th.

You can also download the registration form at The Commonwealth Workforce Coalition website

Directions to Frog Pond: We meet on the grassy area next to the Frog Pond/Skating Rink on the Boston Common (Beacon Street side.) If you are facing the Frog Pond with Park Street station at your back, look for us to the right of the Frog Pond toward the middle of the pond and up the grassy hill a bit.

Closest MBTA stop: Park Street Station. Walk behind the Park Street MBTA stop toward Charles Street. Pass the big fountain (just behind the MBTA Station) until you come to a fenced in playground area. If you are standing at the playground with your back to the playground, you will see the Frog Pond directly in front of you. We will be meeting **to the right** of the Frog Pond a little up the grassy hill.

Rain location: Meeting room at St. Paul's Cathedral, 138 Tremont Street. St Paul's is located on Tremont Street between West Street and Avery Street. If you are at the Frog Pond, walk toward the Tremont Street side of the Common and cross the street. St. Paul's is a large building with large staircase in front. You can get to the meeting room by entering the door to the right of the staircase. If it is raining, go directly to St. Paul's or call Carol on her cell at 978-496-4693.
