The Commonwealth Workforce Coalition (CWC) is very pleased and excited to announce our new partnership with the **Northeast Human Resources Association (NEHRA)**!

NEHRA is New England's premier human resources association. Its **mission is to lead, advance and influence the management of human resources and its impact on organizational success**. Membership in NEHRA will allow you to network with their more than 3,500 members; access thought leadership on critical human resources topics via educational programming and on-line resources and become a part of a strong human resources community. If you want to grow professionally and have an impact on your organization's success - join NEHRA today!

Through this new partnership, CWC participants can join NEHRA at the CWC rate of \$150 per year and participate in all that NEHRA has to offer. Membership provides workforce development professionals across the state of Massachusetts with opportunities to network with human resources professionals and gain insight into hiring practices and policies.

The benefits of a CWC NEHRA Membership
