

Come join other Outreach Educators like yourself at:

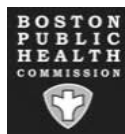

A monthly informal gathering for Outreach Educators to share outreach tips and experiences, as well as to network with other Outreach Educators and learn about other programs and organizations throughout Boston. A place where Outreach Educators can be re-energized to continue the important and demanding work of reaching out to people in our communities.

It is held on the third Thursday of every month (except in June & Aug.).

Call (617)534-2432 to RSVP!

Look for our flyers in the mail each month!

**Come for...
networking,
referrals, resources**

- ◆ What resources are available for your clients?
- ◆ Where do you turn when you need to make referrals?
- ◆ Do you ever feel like you are alone in your job?
- ◆ Are there other Outreach Educators out there doing similar work?
