### Understand the Model, Join the Discussion

For those interested in an in depth conversation, join us in the afternoon for a symposium. From poverty to economic resilience: a look at the challenges facing low-income Massachusetts residents, best practices for supporting individuals on a path to economic security and cost effective models for service delivery in a tight economy. There is no charge for participation in the symposium. Download a full agenda by [clicking here](#), and [register online](#) when you purchase your event tickets.
