Commonwealth Partnership for Economic Opportunity (CPEO) is a joint effort of Commonwealth Corporation and the Commonwealth Workforce Coalition/CEDAC. This project works to address Massachusetts' critical need to build the capacity of a range of community and faith-based organizations to coordinate workforce development programs and resources for support services. The goal is to provide low-income adults and youth who are not engaged in school or work with the tools and resources they need to enable them to compete for jobs in our knowledge-based economy. For more information about CPEO contact Karen Shack at 617-717-6930 or kshack@commcorp.org or Ann Donner at 617-727-5944 or adonner@cedac.org
